This Holiday Season!

As the holiday season is upon us, we find ourselves reflecting on the past year and on those who have helped to shape our business in a most significant way.

We value our relationship with you and look forward to working with you all in the year ahead. A Very Merry Christmas!

Sunbrella Fashions

We were happy to partner with the Luxe Interiors Store in Carmel, Indiana and the Dyslexia Institute to produce a “hand bag” Fashion Show. This show benefited the Institute and we were pleased to raise money for this worthy cause. We were also happy to participate in the “Dream Home” project with the generous contributions from **Sunbrella, Miles Talbott & Gat Creek**. In the spirit of the season we thank all who made this possible.

THRITY-SIX PRESENTATIONS IN CITIES ACROSS THE USA!

This past year has been extremely rewarding. I have had the pleasure to “criss cross” this country and tell my **Sunbrella/Miles Talbott** story to interior designers, retailers and consumers. I have met many talented designers eager to here about the new fabrics

and furnishings available for “easy care living” and I have met consumers who want products they can live with and enjoy in their homes. Many of these were couples with young children who do not want to compromise style and design for furnishings that will perform. I thank **Sunbrella ,Miles Talbott and all the Joe Ruggiero Collection Partners**.
